Attached is a draft set of minutes from the meeting last week. Please let me and Jen LaPoma know by Tuesday, February 18th if you have any comments (note, Monday is a holiday for most if not all of us. In the future, comments will be due by the Monday after the draft minutes are submitted). The presentations are an attachment to the minutes, so have been included here.

I should be sending out a list of figures/data EPA and the partner agencies would like to see presented at the next meeting by COB tomorrow.

Thanks
